TERMS CONDITIONS GUARANTEE

The terms of the sale are cash since this is a complete dispersion of the Jack Smith cattle. Buyers who are not known to the sale manager will bring bank references. Settlements are to be made with the clerk of the sale immediately after the conclusion of the auction. All stock will be at buyers risk as soon as bid off, but the management will attend to loading on cars or trucks in compliance with instructions from the purchaser.

A certificate of registry and transfer will be furnished for each animal sold as a separate lot and properly signed applications will be furnished for the registry of all calves at foot and all unborn calves.

All animals in the sale have been tested for T. B. and Bang's disease within thirty days of the date of the sale and health certificates will be furnished. Calfhood vaccination for Bang's disease has been practiced for all females except those dropped after March 1950.

The Jack Smith Shorthorn herd is backed by an enviable reputation gained through the last four years. The herd has not been in existence long, but for this foundation only the best were purchased. The pedigrees are correct and the cattle are healthy. Any known faults will be clearly announced on sale day. As this is a dispersion sale, no guarantee will be given except in the case of the senior herd bull, Leaders' Royal Prince 5th. Since there is obviously a breeding risk in moving a 4-year-old bull, the owners will guarantee Leader's Royal Prince 5th if he is not allowed to run with the herd and if he is maintained in as good condition as when purchased. The income from the sale of Leaders' Royal Prince 5th will be held in escrow for a six months period. In case he fails to prove a breeder, notice must be given within six months of the date of the sale. The purchase price, without interest, will be refunded in case Leaders' Royal Prince 5th fails to meet the guarantee and the disposal of this animal will be at the option of the seller.

Announcements from the auction box will take precedence over printed matter in the catalog.

The above terms constitute a joint contract between the sellers, and the buyers of each lot. Neither the Sale Manager nor the person delegated as Clerk assumes any liability, legal or otherwise.

Although every precaution to provide for the comfort and safety of the guests will be used, all persons who attend this sale do so at their own risk and the owners assume no liability, legal or otherwise, for any accidents that may occur.

AN OPPORTUNITY TO BUY...

Splendid Individuals With Impressive Pedigrees

Study the pedigrees throughout this catalog. You will be impressed with the bloodlines that are represented. These cattle are of the latest and best, for Jack Smith purchased only cattle that were admired and wanted by all the leading buyers in the country. This foundation was laid both on the best of pedigrees, and individuality of every individual member. The leading breeders of the United States and Canada were patronized for their choicest specimens in order to insure the strength and permanency of the Jack Smith herd of Shorthorns. The 16 or so calves at foot, by two or three different great bulls prove to cowmen that this herd was just getting started in the production of Scotch Shorthorn cattle.

Included in the offering are the two herd bulls . . . Leaders' Royal Prince 5th and the Junior herd sire, J S Proud Formula. Leaders' Royal Prince 5th is a son of the great breeding bull used at Ohio State University, Edellyn Royal Leader 10th. The J S Proud Formula bull is by Calrossie Formula and out of a Klaymor Buttercup dam. In addition to the two herd bulls there are five excellent herd bull prospects included in the sale offering.

The female offering of 57 lots will contain sixteen cows with calves at foot. All are of popular blood lines and most approved type. Eight of the calves are by Leaders' Royal Prince 5th, and the remaining eight are by Imp. Naemoor Magnate. Thirty of the cows sell bred to Leaders' Royal Prince 5th. Three carry the service of Imp. Naemoor Magnate. Three of the late 1949 heifers are bred to J. S. Proud Formula the Junior herd sire. All of the heifers dropped in 1950 will sell open along with the December 1949 Pittodrie Upright heifer. This one heifer J S Gipsy Bride, is a daughter of the famous Pittodrie Upright bull and one of the few daughters by him ever to be offered for sale.

The females selling in this sale are sired by the best bulls of the breed. Such as, Edellyn Modern Mercury, Naemoor Magnate (Imp), Edellyn Royal Leader 17th, Conners' Keystone Ransom, Klaymor Ironmonger, Klaymor Jewel, Oakfield Ransom 3d, and O A C Ransom 21st, and other leading stock bulls.

THIS IS LEADER'S ROYAL PRINCE 5th STORY

Leader's Royal Prince 5th was sired by Edellyn Royal Leader 10th and out of Ohio's Clara 15th. Edellyn Royal Leader 10th has proven to be the most outstanding Shorthorn bull ever used at Ohio State University. Half brothers and sisters to Leader's Royal Prince 5th have won many championships in leading shows. They are as follows:

Champion Shorthorn female at the State show and sale in 1947, 1948, 1949 and 1950.

Champion Shorthorn at the Ohio State Fair in 1947, 1948 and 1949.

Reserve champion Shorthorn steer at the 1949 International.

Reserve champion Shorthorn female at the 1947, 1948 and 1949, Ohio State Fair.

Reserve champion Shorthorn female at the 1948 International.

Ohio's Clara 15th, the dam of Leader's Royal Prince 5th was a red cow of correct type. She was one of the foundation brood cows at Ohio State University.

Leader's Royal Prince 5th was shown very successfully in 1948 and was a member of the third prize get of sire at the International.

Eight of the calves selling at foot are by this good bull. Thirty more of the cows selling are carrying his service. This is your chance to buy a young proven sire.
